# YOUR MIC DROP EXPERIENCE

Gather your friends, pick your theme, and settle in for an unforgettable night. Great drinks are delivered straight to your room, so you never have to pause the party. From cocktails and craft pints, we've got the fuel to keep your performance going strong. MIC DROP is where singalongs turn into showstoppers, where groups come together, and where every night ends on a high note. Step up to the mic - your stage awaits.

- **Check in** - our team will greet you, confirm your booking, and walk you to your private themed room (are you flying high in a jet or chilling in a log cabin tonight?).
- **Settle in & get the lowdown** - your host will give you a quick intro to the room and show you how to work the karaoke system (spoiler: it's super easy).
- **Pick your playlist** - search, queue, or build your ultimate setlist from thousands of songs. From power ballads to guilty pleasures, it's all there.
- **Fuel up** - order food and drinks straight from your booth. Cocktails, pitchers, prosecco —it all comes right to your door.
- **Grab the mic & go for it** - duet, solo, full-blown group performance... the stage is yours. No strangers, no pressure—just your crew and your best moves.
- **Keep the party rolling** - order more rounds whenever you like and switch up the vibe as the night goes on.
- **Take a bow** - when your time's up, your host will give you the nod. Settle your bill, grab your stuff, and leave on a high note (literally).
- **Mic officially dropped** - step back out into Haymarket still buzzing and already plotting your next session.
